Adding Agendas and Minutes

The procedure

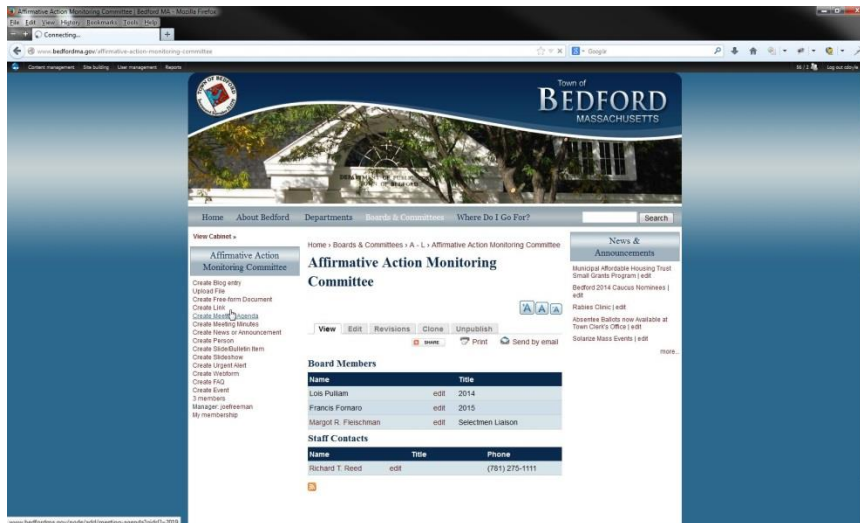

- Post a meeting notice with Doreen no later than 48 business hours before the meeting (holidays and weekends do not count). (e.g., the Selectmen meet on Mondays, so the meeting notice and agenda must be posted by end of day Thursday. If the Selectmen are meeting on a Tuesday because of a Monday holiday the meeting must be posted by Thursday as well).
- Send the Town Clerk the Agenda so that it can be posted within the 48 hour timeframe. Make sure that the Agenda is posted on the web as well either by staff liaison or by the Town Manager's Office or Town Clerk's Office.
The Agenda & Minutes naming convention is Committee-Meeting and Agenda-Date (e.g. Finance Committee-Agenda-01-01-2014)
Create as a PDF
- After the Town Manager's Office has created the Calendar Event add the Agenda per the directions below
- Send the Town Clerk a Record Copy of the Minutes from meetings for Records Management purposes. This must be a hard copy that is printed on archival paper and signed by recording secretary with the date that they were approved. They can be submitted on a yearly basis to the Archivist
